

THE COLLABORATIVE COMMUNITY MISSION

a Western New York, 501(c)3 nonprofit organization

OUR MISSION

To foster relationships among a diverse community of caregivers and professionals that promote learning and child development through accessible programming, resources, and expertise.

WHAT WE OFFER

Access to authentic opportunities for children of all abilities and backgrounds to interact with their peers in a variety of age-appropriate activities that promote physical activity, social interaction, and a broadening development of key skills. These opportunities include; Music Class led by a certified musical therapist, Community Active Events, Speech-Language Enrichment Programs, Sensory Friendly Events and much more! We also provide caregivers and professionals with education and support through a comprehensive and collaborative approach.
